

# Together We Can Make a Difference!

## It's As Easy As

1.

### Raise money for your school/church or organization!

Together we can work to make a difference in the education of our children. It's easy; just save UPC barcodes for cash. When you receive your checks, your school, church or organization is free to spend the money any way they want. New textbooks, band uniforms, computer programs, art supplies; many ways to support.

2.

### Save IGA® UPC barcodes...It's that easy!

Save the barcodes from the IGA® products. You will earn \$25.00 for each bundle of 500 UPC barcodes sent to us. **Program runs through July, 2012.**

3.

### Where to find IGA

You will find hundreds of IGA® items with national brand quality, every day, all priced lower than national brands. IGA® has been serving families since 1926, so you'll be assured satisfaction with every purchase. Find IGA® products at your local Hometown Proud IGA®!

## Get Started Now

To participate, complete the registration card and mail it today. You will receive an information packet explaining the details of the program. We will work together in building a better education for our children..
